# ANNUNCIATION CATHOLIC KINDERGARTEN

2021-2022 School Year Admission

School Registration No. : ED5/159220/94

## **The Vision of Catholic Schools (Core Values)**

With a determination to carry on the contribution of the Catholic Church to education, a Catholic School as its vision and mission, shall uphold and pass on the five core values – Truth, Justice, Love, Life and Family – to young people to prepare them properly for their life and future responsibilities.

### **Vision:**

Adhering to the love of Christ, following the morals of the Virgin Mary, we preach the holy gospel through holistic education and enable the students to understand "The Value of Life and Love" in order to establish a positive view of life.

### **Mission:**

We are dedicated to preaching the gospel and nurturing the children's love to the Lord, to learn to be humble, obedient, patient, and always caring for others. We eagerly promote a balanced development of the six core areas of learning. Make children love life and be positive.

### **School motto:**

preach the gospel, love humankind

**Campus:** The school site is housed in a building adjacent to the Church of the Annunciation. The school covers an area of 1115sqm and is equipped with 7 standard-sized classrooms, a multi-purpose activity room, a music room, a library, and a playground in its indoor activity area which covers over 1000 sq ft. The school's environment is quiet and serene, and is equipped with the latest innovative facilities. The classrooms are bright and airy, and split type air conditioning is installed in the entire school to create an optimal learning environment for our students.

**Curriculum:** We follow the "Kindergarten Education Curriculum Guide 2017" and the relevant teaching packages to compile our curriculum in different subject areas. Our teaching methods include learning through drama, corner activities, project approach, and free play. And we encourage children to learn through experiences and play, through different forms of games, activities, and outings. Such life experiences will also strengthen their social skills, allow them to learn to coordinate interpersonal relationships, as well as learn to share and respect others. We aim to offer an all-rounded education that enhances the development and growth of our students spiritually, morally, academically, physically, socially, and aesthetically.

**Teachers' Qualifications:** All our teachers have undergone formal or other professional trainings and they are holders of teaching diplomas or degrees. All of them are equipped with a wealth of teaching experience, along with their care and patience towards our students.

**School Fees:** Our school is participating in the Education Bureau's Kindergarten Education Scheme, and students need not pay any school fees in the 20-21 academic year. Subsidy for the fees for the 21-22 academic year is subject to the Education Bureau's approval.

Class Hours: Morning Session: 9:00 am to 12:00 pm  
Afternoon Session: 1:30 pm to 4:30 pm

Students Recruitment: K1 (For children 2 years and 8 months old when classes begin in September). In the 2021 academic year, there will be 2 morning session classes and 3 afternoon session classes for our Nursery grade.

K2. (For children 3 years and 8 months old to 5 years old when classes begin in September).

K3. (For children 4 years and 8 months old to 6 years old when classes begin in September).
