

Annunciation Catholic Kindergarten
2020 – 2021 Notice of the "Monthly Moral Event"

Date: 9/11/2020

Dear Parents/Guardians,

Our school has always place emphasis on the importance of moral education as a means to foster positive values, attitudes and better self-awareness. This year we will combine religious education, theme-based learning, sharing of daily life, alongside with the "Character Strengths Club". The latter has been implemented by our School Social Worker, Ms Grace Fung, in order to establish and nurture good behaviors in students. Details are as follows, Parents and students' active participation are much appreciated.

Details are as follows:

- **Monthly Moral Programme**

Through this programme we hope to encourage children to apply moral practice in daily life. Our school will release the monthly trait so that parents may help the students accomplish this. The Moral traits for each month are as follows:

| | |
|---------------|------------------------|
| November | Patience |
| December,2020 | Sharing |
| January,2021 | Thankfulness/Gratitude |

November - Patience

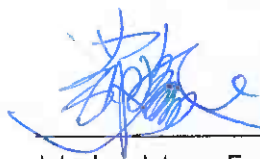

Baby Jesus was about to be born. Holy Mary had been waiting patiently with joy for the arrival of baby Jesus, which sets a good example of Patience. Parents are cordially invited to record a "patiently waiting" moment in their daily life with photos, text or videos. For example: waiting in line to take public transportation, queuing up in the park to play games, or being patient when completing homework or small tasks. Parents may send the video to the following email or send the photo back to the class teacher (the video or photo must specify the student's name and class) before November 27th (Friday), so that children can share with their peers in school and encourage each other (Parents participation would be helpful).

- The "Little Prefect " activity will start on November 9th (Monday). These K3 students will help greeting the children in the playground and assisting them in tapping their smart cards during the arrival time. They will also assist with taking care of younger students during the assemblies and leading gymnastics movement as well.
- The " Moral Student of the Week" Programme will also start on 9th November (Monday). Teacher will observe the children's performance in relation to the moral focus through daily activities, and pick a student that has demonstrated the virtue in daily life. A Little Prefect will award a "Moral Student of the Week" badge will be given to children during assemblies for encouragement.
