Notice of the First Parent Teacher Association- Executive Committee Member

Date: 2/11/2020

Dear Parents/Guardians,

We sent a letter home on October 22, 2020 to inform parents about the election for the first "Parent-Teacher Association" Executive Committee. We received an enthusiastic response from parents, with a total of 7 parents participating in the election. According to the Executive Committee of the Constitution of the Association, the parent members occupy 7 seats, which means that 7 parents are automatically elected as the executive members of the first parent-teacher association without voting.

The members of the first executive committee will determine the position of each parent executive committee by mutual election. A list of relevant executive committee members and political platform information will be uploaded to our homepage on December 4th for our parents to understand and browse.

*Here are the names of the 7 parents/classes of students:

	Parents' Name	Class	Students' Name
1	何惠儀女士	AK1A	Wat Hei Wing Regina
2	林麗玲女士	AK1B/AK3B	Chan Chi Yat/Chi Yeung

Please pay attention to the aforementioned matters related to the parent-teacher association. Lord Bless!

Best regards,

Ms Lo Man Fung
