

**Annunciation Catholic Kindergarten**  
**2020 – 2021 Notice on Activities for New Students**

Date 26/03/2021

Dear Parents/Guardian,

We would like to extend a warm welcome to your child joining the Annunciation family in September 2021. To reduce the anxiety and nervousness they may face in an unfamiliar environment and due to separation from family members, our kindergarten will be organising two activities at our campus, for parents and students during the 2021-2022 academic year. We hope that through the visits and group activities accompanied by their parents, students will gain a better understanding of the school and build a closer relationship with our teachers, so students can be better prepared at the start of the school year 2020-2021.

We are now inviting parents to participate in this programme with their children. However, due to the pandemic and constraints of the venue, we will be limiting the number of children in each session to 15, and each child may only be accompanied by one adult. If parents are unable to bring their children to this event due to health concerns, the school will be arranging a video conference to meet and greet with the children at a later date. Hence, we recommend parents to take own personal factors into consideration, and choose the activity format that is most suitable for your child.

Parents are advised to visit the link and respond to the questionnaire by April 9, 2021 (Friday) to facilitate the school's arrangements. Please note that the school will make timely adjustments along with the situation of the pandemic.

If you have any enquiries, please contact our teacher Ms. Fung or the School Office at 2490 7893. Thank you for your cooperation!

Best regards,

Ms. Lo Man Fung  
Principal
