2021-2022 Notice for the Distribution of "Sample Collection Bottles"

Date 01/03/2021

Dear Parents/Guardian,

As you know, the mandatory testing in Tsuen Wan, Kwai Chung and Tsing Yi Districts which has led to an increase in the number of people that are being tested. The school was able to contact the Centre for Health Protection this morning to relay the concerns, difficulties and needs of school parents in taking their children for testing. The school received "saliva specimen bottles" and a few "stool specimen bottles,". As such, parents may come to school, if necessary, tomorrow 6th May, 2021 (Thursday) in batches at the following times to collect one per student.

K1	10 : 00-11 : 00 a.m.
K2	11 : 00-12 : 00 a.m.
K3	1 : 30-2 : 30 p.m.

Different testing methods based on the recommendations of the Centre for Health Protection:

Collection Method	Age coverage	Test result in
Stool specimen bottle	Age below 3	5 days
Saliva specimen bottle	Age above 3	3 days

*We request that parents assist their children in collecting a specimen and submit it to collection points **themselves** according to the relevant guidelines in the "Specimen Collection Pack." Due to the limited availability of "stool specimen bottles," please register by calling us tomorrow from 9:00 a.m. to 10:00 a.m. (until supplies last) if you need them. If you need to request for more than one "saliva specimen bottle," please call us from 2:30 p.m. to 3:30 p.m. to inquire about remaining stock. The school will do its best to accommodate everyone. Thank you for understanding!

Parents and their children should be tested **on or before 7th May** and submit the test specimen collection bottle with the collected specimen **on or before 9th May**.

Please email to the following address once the test result is out:
